Dear Bob and Mary Gilbert:

This email is to acknowledge that the Public Service Commission of South Carolina has received your Letter of Protest. Please be advised that your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2020-125-E - Application of Dominion Energy South Carolina, Inc. for Adjustment of Rates and Charges (See Commission Order No. 2020-313)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at: <https://dms.psc.sc.gov/Web/Email>; or you may follow specifically Docket No. 2020-125-E at: <https://dms.psc.sc.gov/Web/Dockets/Detail/117462>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

I am writing to oppose any increase in Dominion Electric, it is greater than the national average. It is an unfair burden on the consumer to raise prices yet again.

As consumers, we are told to budget,
 to tighten our belts and yet the
 Commission and our legislators never
 seem to say the same thing to
 Corporations who claim they wasted
 money and now need more. The
 nuclear fiasco is not the fault of the public nor is it the fault of the consumers. We should not be burdened with their poor judgment. This increase should be denied and we the people should not have to shoulder the burden of poor money management by corporations. Both Dominion and Blue Granite represents a fatally flawed or policy, imposing unnecessary, staggering costs on South Carolina residents. My husband and I live off Social Security & our electric bill the last three months was between \$400 to over \$500 a month which is a big chunk of our income. Anymore increases will put us over the edge.

Thank you,
 Bob & Mary Gilbert
